No. S. P. C. 12770-8, *dated 3rd December* 1937.

To

The Firms dealing in Crushed Gram.

Enquiry No. 2623.

CRUSHED GRAM.

GENTLEMEN,

Quotations will be received by the Stores Purchase Committee for the supply of Crushed Horse Gram, free from dust and other impurities, to the Irwin Canal Farm, Mandya, during the calendar year 1937-38.

The approximate quantity required during the year is 28 tons.

The price to be quoted should be per unit of 112 lbs. (One cwt.) delivered free at Mandya, subject to the undermentioned conditions of contract.

Quotations should reach the undersigned on or before the 15th December 1937.

Conditions of Contract for the supply of Crushed Horse Gram to the Irwin Canal Farm.

The Stores Purchase Committee do not bind themselves to accept the lowest or any tender.

2. Tenders should be for supply of only good and cleaned grain, free from all kinds of impurities and suitable for being consumed without further cleaning.

3. The quantity of 28 tons specified in the enquiry is only approximate. The actual quantity to be purchased will be more or less. The contract will be deemed to be limited to the quantity actually drawn on indents during the period of contract.

4. Tenders should specify rate per 112 lbs. (one cwt.) net which should include all charges for free delivery at the Irwin Canal Farm, Mandya. Samples of grain offered should also accompany the tenders in two sets.

5. The rate quoted should hold good for a period of two weeks from the date fixed for receiving the tender. Withdrawal from tender before the above period or after acceptance of the tender is communicated, due to whatever causes, will entail forfeiture of earnest money deposited in connection with the tender.

6. For the due fulfilment of the contract, the successful tenderers will be required to execute a stamped agreement within a week from the date of receipt of intimation that their tenders have been accepted and to deposit as security an amount equal to five per cent of the value of the order failing which the earnest money referred to in the following paragraph will be forfeited to Government and the order cancelled immediately.

7. Tenderer should remit a sum of Rs. 100 as earnest money to the State Huzur Treasury with the accompanying challen form duly filled in and the fact duly noted in the tender. Any tender not complying with this condition will not be considered. Earnest moneys will be returned to parties after the tenders are disposed of in the case of unsuccessful tenderers but in respect of successful tenderers only after the requisite security deposit is furnished.

8. The contract will run for a period of one year from 1st January 1938. Contractor whose tender is accepted should be prepared to supply the material in strict conformity to the approved sample on indents from the Superintendent of the Irwin Canal Farm, Mandya, within the time specified in the indents. All unsatisfactory supplies will be rejected.

9. No application from the contractor for any enhancement of the prices accepted by the Committee, due to whatsoever causes, will be entertained during the period of contract.

10. Should the contractors fail to comply with any of the conditions detailed above, the contract will forthwith be cancelled and the security deposit forfeited to Government. The contractors will further be bound to make good to Government any loss which may arise from their failure to supply the articles contracted for or by Government having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

11. The Stores Purchase Committee may at their discretion and within the limits of the approved rate determine the relative prices of any articles that may not, in their opinion, be found up to the standard or quality required, but accepted by the indenting officer on grounds of urgency or other causes.

12. Should any question arise respecting the quality of the materials supplied or the manner of performance of the contract, the contractors should agree to abide by the decision of the Stores Purchase Committee.

13. Tenders should be sent in sealed covers superscribed "Tender for the Supply of Food Grains to the Irwin Canal Farm" and delivered before 12 noon on 15th December 1937, addressed to the Secretary, Stores Purchase Committee, Bangalore.

No. S. P. C. 12758-67, dated 3rd December 1937.

To

The Firms dealing in Ferro Prussiate Paper, etc.

Enquiry No. 2625.

GENTLEMEN,

Please quote your best prices for ferro prussiate paper, ferro gallic cloth and ozalid paper described below for delivery at the several places noted therein:—

	Rate f.o.r., Bangalore, Mysore, Kolar, Tumkur, Hassan, Chikmagalur, Chitaldrug and Shimoga.	
	For supplies in lots of 12 rolls or more at a time	For smaller lots less than 12 rolls
1. Ferro prussiate paper, 40" wide, 10 yds. long, 110 gr/gm.		
2. Ferro gallic cloth for taking prints and survey maps, 40" wide, 10 yds. long.		
3. Ferro gallic paper, 40" wide, 10 yds. long.		
4. Ozalid paper, 40" wide, 10 yds. long		

N.B.—Samples should accompany the quotation.

The contract for these materials will be subject to the following conditions :—

1. The prices quoted should hold good for a period of one year from the date of order.
2. No enhancement in the prices accepted will be allowed during the period of contract.
3. The quantities of different kinds of articles required cannot be guaranteed. Only such quantities as may be required by the departments from time to time will have to be supplied on indents from them. The contract will be deemed to be limited to the quantities actually drawn. All indents should be complied with within two weeks from the date of receipt of indents.
4. As a guarantee for the proper performance of the contract, the successful tenderers will have to execute an agreement undertaking to abide by our terms and also to furnish a security deposit of Rs. 100 which is refundable after the expiry of the period of contract.

This enquiry will be closed on the 15th December 1937.

No. S. P. C. 12915-34, *dated 4th December* 1937.

To

The Firms dealing in Insulating Materials.

Enquiry No. 2631.

FOREIGN MAINTENANCE MATERIALS, 1937-38. TAPES, ASBESTOS, SOLDERING PASTE, ETC., E.D. 510.

GENTLEMEN,

Please be good enough to intimate your best prices for delivery f.o.r., Bangalore and the earliest time of delivery for the materials described below :—

1.	Tape, asbestos, woven, size $\frac{3}{4}$" width	90 Rolls.
2.	Varnished Cambric Cloth, Black, 36" width, size 7 mils thick ..	100 yards.
3.	Do do 10 do ..	75 „
4.	Soldering Paste, best quality in 1 lb. tins	250 lbs.

Full specifications with regard to the di-electric strength of the varnished cambric cloth, etc., should be furnished in the quotation which must be accompanied by samples of the materials offered. The name of the manufacturers of the materials should also be specified.

N.B.—In case, you cannot offer the materials from Indian stocks, you may quote for forward delivery c.i.f., Madras.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee, reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed " Quotations for Tapes, Asbestos, Soldering Paste, etc." with the above enquiry number.

This enquiry will be closed on the 5th of January 1938.

No. S. P. C. 13133-53, *dated 4th December* 1937.

To

The Firms dealing in Rubber Gloves.

No. S. P. C. 13113-32, dated 4th December 1937.

To

The Firms dealing in Centrifugal Electric Pumps,

Enquiry No. 2634.

TRANSFORMER COOLING WATER PUMPS FOR SHIMSHA NEW PROJECT. E.D. 515.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below:—

Two Direct-connected Centrifugal Pumps, each to be capable of delivering 200 Imperial gallons per minute against a combined head from all causes of 110 feet. The pump and motor should be direct connected by a flexible coupling and mounted on a common base-plate. The pump should be fitted with gun metal impellers, thrust bearings, test cocks for each stage of the pump, filling funnel and pressure gauge.

The motor should be of the totally enclosed type with end shield bearings and designed to work on a 220-volts, 3 phase, 25 cycle system. The rotor should be of the squirrel cage type; each motor must be supplied complete with an auto-transformer type of starter with oil immersed starting switch fitted with no-volt and overload relays and an ammeter. The motors should be capable of working continuously on full load without the temperature rise of any part exceeding 35°C. above an ambient temperature of 40°C. The B.H.P. of the motor must be specified in the tender. The motor shall be insulated throughout with grade B insulation and shall conform to the latest B.S. Specifications for Electrical Equipment for use in a tropical climate.

Temperature rises of the Pump and Motor Bearings shall not exceed 50°C. above an ambient air temperature of 40°C. during continuous operation at full load.

The Pump Runners shall be of stainless steel and all clearance rings shall be of bronze or other non-corrosible materials.

The Pumps shall be provided with an adjustable end thrust bearing of ample capacity to maintain the Runner Central in the Pump Casing.

The Pumping sets must be supplied each complete with foundation bolts, a foot-valve and a strainer. The foot-valve must be 25 per cent larger than the suction opening of the pumps in order to obtain a low entry head.

The sets must be completely assembled and fully tested at the makers' works before shipment. Detailed specifications must be submitted with the quotations. Three complete sets of detailed drawings must be supplied within one month after the order is placed.

The prices must be quoted for delivery of the materials c.i.f., Madras and also f.o.r., Maddur and the earliest time of delivery must also be specified in the tender.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specification will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

The quotations should be superscribed "Quotations for Transformer Cooling Water Pumps for Shimsha New Project" with the above enquiry Number.

This enquiry will be closed on the 5th January 1938.

Yours faithfully,

T. RANGASWAMI,

Secretary,
Stores Purchase Committee.
